OPERATION OF CUSTOMS STORAGE WAREHOUSES (BOND STORES)

WHY THIS COURSE?

Customs Storage Warehouses (Bond Stores) operate under license with Customs and strictly legislated controls. It is therefore critical that all operators of Bond Stores are aware of the laws within which they function. This popular module, extracted from our SDS 3 skills program, discusses the applicable legislation and clarifies the do's and don'ts of the operation of Customs Storage Warehouses.

WHO SHOULD ENROL?

Operations, including administrative staff.

THIS MODULE COVERS:

- Establishment and licensing of Customs storage warehouses
- Control over storage, handling and removal of warehoused goods
- References to the Customs Act, 91 of 1964 and the new Customs Control and Duty Acts 2014 will be made where necessary.
